COMMENTS FROM THE TOWN MANAGER'S OFFICE

The spring meeting of the Maine Municipal Association was held in Rockland on June 4th and 5th. I had the opportunity to attend all sessions which were quite informative.

One of the most important subjects was "Legislative Review," which covered changes in the laws as pertains to municipalities. There never has been a statute in regard to keeping old municipal records. The new law defines what shall be kept and how, and what may be disposed of. Also certain records may be microfilmed. The excise tax rate on house trailers will now be a minimum of 10 mills instead of 4 mills as in the past. All household furniture, except television sets, will be exempt from taxation. A law regulating the use of voting machines was passed. A veteran entitled to tax exemption, and he and his wife owning real estate together, are now both eligible.

One session was set aside for the discussion of the operation and use of voting machines. The Deputy Secretary of State talked on the statutory procedure for using voting machines. It was pointed out that Norway is the first town in Maine to purchase a voting machine. As time goes on this will be something that you will be hearing and reading more about.

Other subjects that were presented were Municipal Legal Problems, revision of the Excise Tax law, Problems of House Trailers, Local Welfare Problems, and Surplus Foods.

Sincerely,
Harold L. Bean

One of the largest gatherings of parents and alumni ever to assemble on the Gould campus met this past week end for the school's one hundred and twenty-second commencement.

Class Day on Friday, June 5, opened with the annual class day exercises, this year featuring the construction on the stage of a large two masted schooner model. Each part of the schooner represented some facet of life at Gould, and the analogy was applied to life's voyage which lay ahead for the 1959 graduates. Following a flute solo by Linwood Small, two presentations were made by the class; one, a gift of a tool lamp and record album to retiring Headmaster Elwood F. Ireland, and the other a school flag, the traditional senior class gift. The new flag was presented by the senior class president, Kirk Newsum, and was gratefully accepted by Mr. Ireland on behalf of the school. Mr. Ireland made awards to boys who had earned their letters in sports and to students for outstanding work in academic subjects. The singing of the class ode, written by Judy Watson, concluded the morning exercises.

At this point the students doffed their academic robes and left for the class picnic, which was held again this year at Thompson Pond in Otisfield. The senior classes of the past several years have been fortunate to have had the use of the facilities provided by Mr. and Mrs. Frank E. Bean, whose daughter is a Gould graduate.

Alumni Day began in the morning with a softball game played between selected teams of alumni and seniors. Following this was held the annual meeting of the Alumni Association. This was attended by well over 60 alumni, one of the largest groups to have met in recent years. Officers elected for 1959-1960 are: President, Leland Brown; Vice-President, Francis Berry; Secretary, Louise Seames; Treasurer, Faye Taylor; Auditor, Wilbur Myers; Athletic Council Representative, Rodney Howe. The Executive Committee will be composed of the following: Charles Freeman, James Browne, Rosalind Chapman, Daniel Wight, Edward Wheeler, Dexter Stowell, Maxine Stowe.

It was voted to hold Alumni Day on Sunday, August 9, with baccalaureate service at 11 a. m. in the West Parish Congregational Church of Bethel. A buffet dinner will be served by the Alumni Association with a meeting following. It was voted to reactivate the revolving alumni scholarship fund under the guidance of the following committee members: Francis Berry, Betty Anderson, Carl Wight, Margaret Wear, Gilbert LeClair, David Hawkins. Secretaries for the following alumni year groups are: 1920, Doris Lord; 1925, Ernest Mundt; 1930, Betty Anderson; 1935, Frances M. Clark; 1940, Madeline Brooks; 1945, Dorothy York; 1950, Ronald and Marguerite Kendall; 1955, Jane Smith Mills.

Picnic parties were enjoyed on Wednesday by the Primary School. Mrs. Bisset's primary class went to Robert Stearns' farm at North West Bethel. Mrs. Twitcheell's first and second, and Mrs. Wheeler's second grade went to the Gilchrist picnic grounds. Mrs. Godwin's first grade and Mrs. Brown's third grade went to the Rumford Wild Animal Farm. Mrs. Howe's third grade went to the home of Mr. and Mrs. John Tobeta. These groups were accompanied by parents and teachers.

Dr. Payson Smith spoke of the development of education in New England and the origin of Gould Academy. He stated that the success of a school headmaster is greatly dependent on the fact that the school's success in recent years is due to his leadership.

At the meeting of the trustees of Gould Academy at Bethel Inn, Monday, Headmaster and Mrs. Elwood F. Ireland were the recipients of mementos on the occasion of Mr. Ireland's retirement after 19 years at Gould. Especial credit was given Mrs. Ireland for her part in achieving notable success during Mr. Ireland's administration and Mr. Ireland was unanimously awarded the Emeritus title by the board of trustees.

S. H. C. Hearing Here Outlines Proposed Road and Overpass

At the hearing held here on Tuesday afternoon by the State Highway Commission on the construction of an overpass at the junction of Routes 2, 5, and 26, a clarifying explanation was given by the highway officials headed by Commission Chairman David Stevens.

The proposed construction involves over a mile of highway, replacing the bridge over the Grand Trunk tracks with another located west of the present one which will also be above the road for west bound traffic, a second bridge upstream on Mill Brook, as well as several hundred feet of sidewalk.

It is expected that construction will be started next fall and completed in the summer of 1960. This is a federal primary project financed mostly by federal funds.

MRS. JESSIE S. CHAPMAN

Funeral services, conducted by the Rev. Clifford Laws, were held Tuesday afternoon for Mrs. Jessie S. Chapman, who died suddenly Saturday evening, June 6, at her home in Gilead.

The daughter of B. Franklin Sproat and Eliza (McFoy) Sproat, Mrs. Chapman was born Jan. 9, 1884, at Chillicothe, Ohio, where her girlhood was spent. Upon graduation from Chillicothe High School, she went on to Wheaton College, where her quick and perceptive mind procured for her an outstanding record of achievement in the arts and literature. The untimely death of her mother occurred as she was completing her studies at Wheaton and after her graduation there she returned to run her father's home and to care for her two young brothers and a younger sister.

On June 23, 1906, she was married to Jack A. Chapman of Gilead and moved to his home. It was there that in the quiet and often lonesome days in the country that her interests and talent in flower gardening were developed. In conversation Mrs. Chapman was unexcelled; and in a diversity of subjects her intelligent observations, seasoned with a delightful sense of humor, created high entertainment.

Mrs. Chapman is survived by a daughter, Annette, with whom she made her home; two sons, William C. Chapman and Franklin S. Chapman, both of Bethel; three granddaughters, a grandson, and a great grandson. Her devotion to her family was in the highest tradition of all that is best in motherhood; and in her loss her family and friends may take comfort in the knowledge that the greatness in a person never dies but is always at hand to be recalled.

CHEVY BESTS

Independent experts and official facts and figures prove Chevy's ahead of its field in seven big ways.

BEST BRAKES... In direct competitive tests of repeated stops from highway speeds, conducted by N.A.S.G.A.R., Chevy outstopped both the other leading low-priced cars—and why not? Chevy brakes are far larger, built with bonded linings for up to 66% longer life. **BEST TRADE-IN**... Check the figures in any N.A.D.A. Guide Book. You'll find that Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two." **BEST STYLE**... Popular Science magazine sums it up: "The fact is, in its price class the Chevy establishes a new high in daring styling..." It's the only car of the leading low-priced three that's unmistakably modern in every line. **BEST ECONOMY**... No doubt about this: two Chevrolet Sixes won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car. **BEST ROOM**... Official dimensions reported to A.M.A. make this clear. For example, Chevy front seat hip room is up to 5.9 inches wider than comparable cars. **BEST**

ENGINE... Every motor magazine has given Chevy's standard and Corvair V8's unstinted praise. As *Sports Cars Illustrated* puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price." **BEST RIDE**... You'll be able to tell this yourself, instantly. But *Motor Trend* magazine expresses it this way: "... the smoothest, most quiet, softest riding car in its price class."

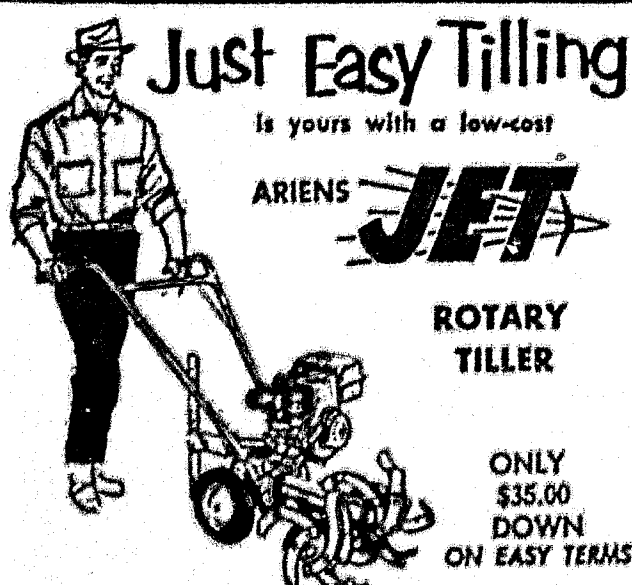

Make sure you get the most for your money—see your local authorized Chevrolet dealer!

FORMER RUMFORD POINT RESIDENT GRADUATES FROM U. OF M.

Anne M. Bridge of Bangor, the daughter of Mr. and Mrs. Stuart P. Martin, graduated from the University of Maine with a B. S. degree, on Sunday, June 7. Mr. and Mrs. Martin and son, Kimball, attended the commencement exercises.

While at Maine, Mrs. Bridge was head proctor of Chabourne Hall her freshman year, was a Sophomore Eagle and also a member of the student Senate. She is a member of Alpha Omicron Pi.

While at Stephens High in Rumford where she graduated in 1955 she was a class officer, chairman of the Assembly committee, president of the Athletic Council, prominent in dramatics and public speaking and a citizen of Girls' State. Later she served as a Junior Councilor and a Senior Councilor on the staff of Girls' State held annually at Colby College in Waterville.

Mr. and Mrs. Bridge live in Bangor where Mr. Bridge is associated with the New York Life Insurance Co. with an office in Bangor.

GOVERNMENT AWARDS \$1.5 MILLION, ME. CONTRACTS

More than \$1.5 million in U. S. Government contracts awarded to 10 Maine firms in May has brought the total of such transactions for 1959 to \$8,222,175, the Department of Economic Development announced. Companies that have received contracts are widespread, from Arceuthobium and Washington Counties to York.

The DEED mails upwards of 500 announcements weekly to Maine firms which could provide products or services required by government procurement agencies and others. "This is a part of our program to assist existing Maine business and industry in every way possible," Commissioner Fred A. Clough, Jr. said.

Altogether, 25 Maine companies have shared in 1959 government contracts to a total value of \$27 million, to a main manufacturer, the 6425 machine guns.

Construction of roads, runways and buildings at Maine military installations accounted for \$1,114,160, or almost 75 percent of the May contracts. Purchasers of petroleum, textile and pulp and paper products and structural steel totaled \$441,634.

Now construction contracts sent to the Maine State Highway Commission and from in Portland, Portland and Waterville. Purchases were from Mrs. Thorne and manufacturers in Bangor, Fort Fairfield, Lewiston, South Portland and Waterville.

4-H CLUB NEWS

Oregon and Rice 4-H Clubs held a 4-H meeting Saturday afternoon at the home of our leaders, Mr. and Mrs. Lawrence Haines. We had a very short meeting today because not many members attended. Each member present received his or her certificate for doing a demonstration this spring. Submitted respectfully, Burnie Rice, Club Reporter.

The Lucky Clover 4-H Club of East Bethel held a meeting at Mrs. Angus Falls on June 9. We held a parents' meeting at Mrs. Angus Falls along with a picnic. Three parents were present, Mrs. Nellie Olsen, Mrs. Adeline Harrington, and our leader, Mrs. Jane Swan. We had a fire and roasted hot dogs, and marshmallows. We left right after school and returned about 7 o'clock. We all had a fine time. — Josephine Foster, East Bethel.

Port Huron, Mich., Times Herald: "As long as the public demonstrates casual indifference to taxes, the lawmakers can saddle us with any taxes they see fit to levy."

THE DEATH OF BASEBALL. Are we going to let baseball end up in the death notices? Is TV going to run baseball back to the middle ages? It all depends on you and I!

At the present, baseball is dying a slow death. Oh! I fully realize we have a little league, pony and town team but yet stop and analyze. What good is baseball without the moral support? There isn't any enjoyment for those playing without spectators cheering and rooting them to win.

Well, you say, why should I bother to watch them play when I have more important things to do. Any attitude like such is the main reason baseball is dying.

Nevertheless no team is as good as they are supported by you and I. Let's go out and help our team win that confidence that they so richly deserve. If they supply the ability, let's give them the desire. Good luck for a winning season.

SONGO POND

— Mrs. Ralph Kimball, Corres. — Joe Zappa and family of Canton, Mass., spent the week end with friends here.

Dr. and Mrs. Gilbert Rich of Roanoke, Va., arrived Sunday at their summer home here. Mrs. Marion Kimball and Mrs. Willis Bean and Wilene were in Lewiston Friday to have some teeth extracted.

Miss Ivy Philbrick is spending this week with her mother, Mrs. Daisy Kimball.

Mr. and Mrs. Herbert Stone and daughters, Judy, Donna, of South Paris, and Mrs. Carleen Morton of Pennsylvania were callers at Ralph Kimball's Sunday after attending the Commencement exercises at Gould Academy. Dorothy Kimball returned home with them for a few days and attended some of Paris High commencement exercises. Mr. and Mrs. Stone and Judy brought her back and attended the Crescent Park School graduation Tuesday night.

Mrs. Jennie Brown came Monday to spend some time at her camp here and with her daughter in Gorham, N. H.

considerable reputation, also spoke a few words. Mr. Davidson concluded his remarks with a tribute to Mr. Ireland and the magnitude of his accomplishments during his tenure at Gould. Mr. Ireland addressed the group briefly in return. Miss Eva Bean, retiring alumni secretary, was presented with an antique soup tureen and plate by Carl Wight in recognition of her many years of untiring and selfless devotion to the association. The main speaker, Professor Sidney W. Jackman of Bates College, delivered an excellent and thought provoking address. The annual alumni game was staged at the headmaster's home from 4:00 to 5:30 p. m. The final event of the day was the Commencement Ball at 8:00 p. m. in William Bingham Gymnasium, music furnished by Gordon Howe and his orchestra.

Baccalaureate Exercises were held in the West Parish Congregational Church on Sunday morning. An excellent message was delivered by Dr. Carl S. Weist, retired pastor and author from Mount Vernon, N. Y. The Reverend Clifford Laws of the West Parish Congregational Church and the Reverend Richard M. Hamilton of the Bethel Methodist Church also participated in the service. As has been customary for a number of years at the Baccalaureate Exercises, the Gould Hymn, written by Doris Lord '20, was sung by the choir and congregation.

the campus, the strains of "Pomp and Circumstance" heralded the concluding commencement ceremonies. The invocation by the Reverend Clifford W. Laws was followed by the singing of "Give Me Your Tired, Your Poor" by the varsity glee club. The salutatory address by Harriet Kneeland of Bethel dealt with the problems posed by international relations in the world today, a discussion later amplified by Linwood Small of Raymond, Maine, in his valedictory address. Following the playing of "Washington Post March" by the Gould Academy band, the principal commencement address, "A Career in Education" was given by Dr. Sidney W. Davidson, president of the Board of Trustees. Following Dr. Davidson, the varsity glee club sang the traditional "The Halls of Ivy." Headmaster Elwood F. Ireland announced that the highest academic averages in each class for the year were attained by the following: Senior, Linwood Small; Junior, Donald Christie; Sophomore, Louise Kennedy; Freshman, Evelyn Sprague. The ceremonies this year marked the end of nineteen years of service to Gould rendered by Elwood F. Ireland, the retiring headmaster. Those in attendance were fully aware of the many years given by Mr. Ireland to Gould Academy and its development and the appreciation of all those gathered here for this commencement was perhaps the dominant theme of the program.

Extension Groups COMBINE FOR SUPPER MEETING AT CHURCH

The Bethel day and evening Extension groups met together Thursday, June 4, for a supper at the Methodist Church. The Buttonville Cooks and the Spoon and Hoe 4-H Clubs helped with the meal. They made centerpieces and nut cups for each place. They set the tables, served the meal, and cleaned up afterwards. The Extension women present appreciated the fine job which they did under the direction of their leaders, Mrs. Ethel Robertson and Mrs. Florence Bailey.

Following the supper, the subject "Planning 3 Meals a Day" was discussed by Mrs. Ruth C. DeCoteau, Home Demonstration Agent. The diseases now known to be helped by diet were listed as recently outlined by Dr. Stare, noted nutritional authority. The basic plan necessary to follow in having a sound nutritive diet for the family was discussed and the problems involved in providing this were outlined and considered by buzz groups. A general summary included some comparisons of good food buys on the market at the present time.

West Paris Elementary School Exhibit

Monday evening was the first of what we hope to have as an annual affair - an exhibit of samples of the work done by the children during the year. The teachers were pleased to have so many parents and friends attend. The children proudly showed their work and had a chance to see what others

er grades do.

Grade One and part of Grade two with Mrs. Lyndall Farr as teacher exhibited an Indian scene with clay figures, a bird tree, bird houses made of construction paper, a Maypole with paper chains, and free hand drawings of spring. "What Memorial Day means to Me", pictures of special days, and linoleum designs.

Stories from regular reading lessons were illustrated as were Health booklets and poem booklets. Everyday lessons were represented with samples of the children's arithmetic and writing papers as well as their spelling blanks.

From North Paris came an exhibit of the work of the third grade and part of the second with Mrs. Adeline Stevens as teacher. Charts were displayed with Reading and Arithmetic workbooks nearby. On two tables were displayed plants from their science study, spelling notebooks, handmade arithmetic workbooks, and poems and stories connected with their English. A special feature was an exhibit of freehand, crayoned drawings on cloth framed with the name, grade and age of each young artist.

The Fourth Grade, also from North Paris, displayed work including spelling blanks on which were clipped graphs of the lesson marks made during the year, poem booklets with two original poems, reading workbooks and language notebooks. A model of the Nile Valley as it goes through the Sahara Desert was a result of a unit on the Sahara Desert. The display boards held an illustrated original poem from each child of the grade. Mrs. Doris Slattery is the teacher.

The children of the Fifth grade under Mrs. Doris Hayes exhibited samples of their daily work in arithmetic, spelling and English. Each pupil has made a spelling notebook and a history scrapbook. The children had written to show letter forms and penmanship. These as well as the answers received were displayed. Freehand drawings, crayon work, and many of the different things made in the Friday art classes were admired.

Mrs. Louvie Coffin's Sixth grade exhibited booklets on the countries of South America, book reports with covers to illustrate the story, science lessons presented in a booklet with an appropriate cover, penmanship papers, illustrated poems, and picture drawings. Graphs and scale drawings with other arithmetic papers showed some of the work covered this year. Easter Egg Heads were cleverly made as were the poly-poly clowns.

Mrs. Avis Stellhorn's Seventh and Eighth grades exhibited the projects that they had made in connection with the study of Maine History. These consisted of a team of horses pulling a loaded wood sled, a cattle drive as carried on in the early 1800's, several steps in the manufacture of shers, and paper, a Maine farm scene.
